# The Question of Paint

Is one that should interest—not alone the painters, but all desirous of improving and preserving their buildings and homes. In the Mound City Paint you secure not only a paint of good wearing quality, sun-proof, and reliable in every way, but exactly the heaviest paint on the market, which means that it is made substantially from the purest ingredients known to the industry. Isn't that of value to you? In Mound City barn paint, you secure the genuine oxide of iron paint-no imitation-and furnished in red, slate, brown or yellow. We know you cannot beat these paints for either quality or price. Try them.

### Interior Decoration

Is something that should appeal to every housewife-not alone because of improved appearance, but from the standpoint of economy of labor. On these grounds we wish to remind you that we have a new and up-to-date stock of Wall Paper, something to please you. And remember, we also keep the sanitary wall coating, Alabastine. It will not rub off, and can be put on plain, or etched in the most artistic manner. You will not be disappointed if you use it.

Oriental Varnish furnishes a new and artistic method for brightening those old chairs, cup-bupboard, or any article in the house, We furnish it in oak, cherry, walnut, mahogany, etc.—genuine imitations at small cost. Genuine Rubber Paint

acts as a preservative when applied to wood work or iron. Prevents that roof leaking and improves appearinces generally. Gives satisfaction,
